Dr. Edward Czuppa

If you can completely examine your conscience and honestly conclude that you have done the very best of which you are capable then no man can ask more. Always striving for excellence in everything will allow you to accomplish much in aiding your fellow man. Even though the odds be great "give it your all".

SCHOOL DAY MEMORIES

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because its all gone,
We're starting a new life,
We have to move on.
We hope friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-bye
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending-
Think a new life has begun.

SHOW CHOIR

The Show Choir started out the year in October by putting on a Lip Sync competition and attending the State Fair. In December the Show Choir, along with the younger elementary grades, put on a musical Christmas play. Throughout the year the Choir put there efforts into raising money to attend ``America Sings'' in Long Beach, California. The fund raisers included hot dog sales, bake sales, and a Spaghetti Dinner and Disney Show. The trip to California was well worth their efforts, every one had a great time. For their final performance they sang ``God Bless the U.S.A.'' at the Senior Graduation.

FEBRUARY 2, 1970-NOVEMBER 19, 1990

Do not stand at my grave and weep;
I am not there. I do not sleep.
I am a thousand winds that blow;
I am the diamond glints on snow.
I am the sunlight on ripered grain;
I am the gentle autumn's rain.

When you awaken in the morning's hush,
I am the swift uplifting rush
Of quiet binds in circled flight.
I am the soft star that shines at night.
Do not stand at my grave and cry,
I am not there; I did not die.
